

John Mitchell, Jr.

Director

PFM Asset Management LLC

John Mitchell is a director for the Investment Services Group (ISG) and Internal Operations Group (IO) in the Harrisburg office. He has direct oversight of Trade Support, the Bloomberg AIM Desk, the Processing team and the Treasury and Banking Relationship Manager.

After being hired as an intern, John was promoted several times within the investment accounting department and the PLGIT team. Eventually, he took on the role of accounting manager for the multi-asset class (MACM) business. As the manager of MACM accounting, he managed a team of investment accountants, statement distribution, performance calculations, monthly invoicing, and the day-to-day activity for MACM portfolios. He was also responsible for the automation and task enhancement efforts for various accounting functions.
