

Marie Nasevich, CFP

Client Services Senior Analyst
PFM Asset Management LLC

Marie brings more than 25 years of financial services experience to her role at PFM Asset Management, and serves as senior account coordinator. She began her career preparing pension valuations for a large insurance company's clientele. She then became responsible for the administration and investment oversight of more than 300 small to medium sized pension plans.

Marie joined Spagnola-Cosack, Inc. in 1999 (now a division of PFM Asset Management) and continued to serve as a pension analyst after the firm's acquisition. She holds the Certified Financial Planner (CFP) designation.
