

Patrick Mahoney

Director

PFM Asset Management LLC

Patrick oversees the client portfolio management practice and team at PFM Asset Management LLC. The team is responsible for delivering investment management services and strategies to a variety of institutional clients, including public and private pension plans, non-qualified plans, foundations and endowments, corporations, public entities and Taft-Hartley plans, among other institutional client types.

Patrick has many years of institutional asset management experience. Prior to joining U.S. Bank, he spent 18 years at Wells Capital Management and Wells Fargo Institutional Investment Advisors in senior institutional portfolio management and client servicing roles. Earlier in his career, he was an associate equity analyst for George K. Baum & Co.

In addition to serving as an active member and volunteer for Twin Cities Trout Unlimited, Patrick also enjoys coaching his son's youth football team and his daughter's lacrosse team.
